

Tradice která zavazuje

Před 162 lety, v roce 1859, započala semenářská tradice rodiny Černých. Její zakladatel Ferdinand Hlaváček prodával osiva na trzích. Za tuto dobu se změnil jak sortiment, tak i způsob prodeje. Jedno však zůstává stejné, snaha dodat zahradníkům co nejkvalitnější osiva. Dnes se firma Černý-BioPro s.r.o. zabývá semenářskou činností a také výzkumem a využití pokročilých šlechtitelských metod u petúnií.
